

Upper Beeding Parish Council

For the Parish of Upper Beeding, Edburton and Small Dole

Newsletter Winter/December 2013

Website: <http://upperbeeding-pc.gov.uk/>

CHAIRMAN'S MESSAGE

This is my first report to you as Chair of the Parish Council. My predecessor, David Coldwell, stood down in September though he remains on the Council and is also a District Councillor. David joined the Council in May 2003 and was Vice-Chair from 2005 to 2008 when he was elected Chairman.

During his time as Chair he streamlined the Council structure and reduced the number of meetings whilst making them more effective. He also empowered Committee Chairs to achieve things, such as renovating our playgrounds. He introduced a new, simpler financial information system and made the Council more of a team. David was also very interested in youth issues and was heavily involved in setting up the Steyning Area Youth Service. He has left us with a Council that is much easier to run and more effective. On behalf of all of us I would like to thank David for all the time and effort he has given us.

The changes in the Council have been broader; we now have a new Chair of the Amenities Committee, Chris Warren, and Sports & Leisure, Sean Teatum. Sean is also carrying out sterling work editing this Newsletter, co-ordinating the formulation of our Neighbourhood Plan and taken on the position of Vice-Chairman of the Council.

The Neighbourhood Plan is a significant undertaking, so Sean and his Team have their work cut out. This will become the planning document that guides planning decisions everywhere in the Parish, allowing residents to have more control over future developments in housing, business and other planning matters. You will be receiving questionnaires to help the team to understand what people think the Parish needs for the future. Please fill them in and return them as soon as possible, don't file them away and forget them!

In October I was privileged to be asked to open the new public defibrillator in the old Hyde Square telephone box as one of my first duties as Chair of the Council. Two others have been opened in phone boxes in Bramber and Steyning, as part of the ongoing efforts of the Steyning Area First Responders. These volunteers are normally the first on the scene of a local emergency and have saved a number of lives with their skills, including the use of defibrillators such as the new one in Hyde Square. They are always interested in new volunteers, so if you are interested please get in touch. You will receive training with South East Coast Ambulance and become proficient in first aid. We especially need volunteers living in Beeding and Small Dole.

Where People Live

CHAIRMAN'S MESSAGE CONTINUED

While on the subject of the emergency services, they are always asking us to ensure people's houses are clearly identifiable for them. House numbering in parts of Beeding is eccentric anyway, trying to see a small number or nameplate from the road, in the dark, in the rain can be impossible and slows response times. Please take a minute to check that your house can be clearly identified from the road, it may save your life!

Finally I would like to mention the Steyning Area Youth Service. Due to strong public support the Parishes of Steyning, Bramber, Beeding and Ashurst have come together to set up their own Youth Service after the County Council stopped funding theirs due to Central Government funding cuts. Emma Edwards, our Youth Worker, has done great work with the support of the charity Horsham Matters to set this up. However in order to provide the kind of service we would like they need volunteers to help. If you are interested in youth work or simply helping out now and then please get in touch.

As this is our last Newsletter before the Festive Season may I wish you all a very Merry Christmas and a Prosperous New Year on behalf of all your Parish Councillors.

Simon Birnstingl,

Chairman UBPC.

NEIGHBOURHOOD PLAN - QUESTIONNAIRE / SURVEY

You should be aware of the Neighbourhood Plan (NP) that the Parish Council is beginning to produce and will cover Upper Beeding, Small Dole, Edburton and Truleigh Hill. You will be getting a letter and more details on this soon. The letter will also ask you to participate in a Survey/Questionnaire so that the Parish Council can produce the Plan around the things that are important to you and you would like to see developed in our Parish. For more information go to: <http://upperbeeding-pc.gov.uk/neighbourhood-plan/survey/> or call Sean Teatum on 07795981969

20's Plenty

20's Plenty

20

Where People Live

WHY HAVE A 20 MPH SPEED LIMIT IN OUR VILLAGE?

- More than half of road deaths and serious injuries occur on roads with 30 mph limits
- Britain has the highest percentage of pedestrian road fatalities in Europe 22.5%.
- Britain has one of the lowest levels of children walking or cycling to school in Europe.
- Speed limits on Britain's urban roads are 60% higher than Europe. (30 mph compared to 18.6 mph)
- Parents cite traffic speed as the main reason why their children are not allowed to cycle or walk to school.
- Lowering urban & residential speed limits to 20 mph increases urban journeys by just 40 seconds maximum.
- Lowering urban and residential limits to 20 mph decreases child pedestrian accidents by up to 70% (TRL).
- In Portsmouth the 20mph limit on all residential roads has reduced casualties by 22%.

YOUR CHANCE TO VOTE ON THIS

Recommendations have been made to declare the village of Upper Beeding (defined by the access points at Beeding Bridge, the roundabout at the Junction of Shoreham Road A2037 & Steyning By Pass A283 and the Village sign on the Henfield Road A2037 coming from Small Dole) a **20 MPH speed limit area**.

You can **let us know what you want by voting YES or NO** on <http://upperbeeding-pc.gov.uk/vote-on-20-mph-speed-area/> or call the Parish Office on 01903810316 and leave a message. If we get overwhelming support for YES the Parish Council will go ahead and pursue this policy.

NEWS & GOSSIP AROUND THE VILLAGES

- **Flooding at Castle Town / Bostal** continues. This has been raised with WSCC several times over the last 3 years. The Parish Council will now be taking control as part of Operation Watershed where we can get funding to resolve the problem. It won't be immediate though
- **Ditch/Culvert clearing at Saltings Field** and possible flooding. This has been going on for over a year. A review is taking place with WSCC and Landbuild to determine what the issue is and may also be taken up under Operation Watershed if work is required
- **WSCC Devolved functions** for grass cutting. We are looking at taking this over from WSCC depending on what they will pay us and what the service level agreement looks like.
- **20mph Zone** will be up for prioritisation at December's CLC.
- **Beeding Bridge Closure.** There are plans to close the bridge for major strengthening works next year, for 4-6 weeks. A big program is planned for after the Christmas break, leading up to work starting on 20 January. There is absolutely no alternative to doing this and it is far preferable to have it closed for a short period for strengthening works take place, than have a deteriorating situation, when ultimately the bridge might have to be completely rebuilt. The work involves taking up the surface of the bridge, digging out the material underneath it, and replacing it with a much stronger compound/concrete etc. and relaying a new surface. The footbridge part will remain open at all times so that it will be possible to walk between the two villages. Horse riders will not be able to go through the footbridge area for safety reasons.
- **Changing Rooms:** We have asked 4 companies to give us quotes for new changing rooms and social area for the UB Memorial Field and demolish/ move the existing storage areas. This will be part of a phased development for this area which we will update you on in more detail in our next issue
- **Small Dole Recreation Ground and the Skatepark:** Work to fill a hole and repair the see-saw at the recreation ground has been identified. In addition work to repair the skatepark and ensure an annual inspection and maintenance routine are in place has been actioned
- **Rampion Off-Shore Wind Farm:** Onshore survey works are being carried out at various locations along the proposed Rampion onshore cable route from Brooklands Pleasure Park, to the proposed substation site next to National Grid's existing Bolney substation in Twineham. The route touches non-built up areas of Upper Beeding, Small Dole and Henfield. This work is mainly trial pits and bore holes at present.

Unfortunately one of their trucks involved in this work had a sad end on 21st November when it was found near the cycle track above the Quarry at Golden Barn having been possibly rolled from the field below the top road leading to Truleigh Hill. Luckily nobody was hurt. Anyone with any information on this should contact Rampion by Email: rampion@eon.com.

PATH FOR SCHOOL USERS & ALL IN UPPER BEEDING MEMORIAL FIELDS

Unfortunately the mesh path provided by Simon English of English Construction Ltd linking the UB Primary School to the car park in the Memorial Playing Fields has proven to be unfit for the purpose for which it was supplied. The Council have written and left messages for Mr English to rectify his poor workmanship but to no avail. The work will now have to be undertaken again at an additional cost to the Council and ultimately you. We obviously will not be using English Construction again and would advise others to take note!!! It is hoped to have the new path provided in January/February 2014.

HOW'S YOUR PUMPKIN CARVING SKILLS

Children from Upper Beeding Primary School took part in the school's first Pumpkin Carving Competition. All entries were displayed that evening at the Halloween disco and helped to create a wonderfully spooky atmosphere. Children and parents danced to Halloween classics before the winning entries were presented with a ghoulish goody bag. The event raised £500 for the school.

Sussex Police & Crime Commissioner Follow #PCCsYearOne

One year on

Performance against the priorities within the Police & Crime Plan – *Safer in Sussex*

- 1. Crime & Community Safety**
 Reduced the risk of crime per 1000 population
 Risk of Crime **-7%**
- 2. Victim Focus**
 Improving victim satisfaction
=83%
- 3. Public Confidence**
 Increased reporting of:
 Domestic abuse and violence & serious sexual offences **+2%**
 Hate crimes **+33%**
- 4. Value for Money**
 Meeting the financial challenges ahead
+£2.2m Additional savings against target

Investing in the police estate
 Improving the accessibility and visibility of neighbourhood policing
 £20m 5 YEAR Programme

80 Police Constables, 30 PCSOs, 120 Special Constables

sussex-pcc.gov.uk

Crime & Community Safety: Percentage difference between recorded crimes for the rolling year 1 Nov 2012 to 31 Oct 2013 compared to the previous year. Victim Focus: Percentage difference between the baseline performance benchmark introduced in Nov 2012 and current performance for the rolling year 1 Nov 2012 to 31 Oct 2013. Public Confidence: Percentage difference between recorded crimes for the rolling year 1 Nov 2012 to 31 Oct 2013 compared to the previous year. Value for Money: Difference between the Sussex Police savings target for 2013-14 and the planned savings forecast as at 31 Oct 2013.

HAPPY 1st. BIRTHDAY TO KATY BOURNE

Did you bother to vote? Friday 15 November marked the first anniversary since Katy Bourne was elected the first ever Sussex Police & Crime Commissioner (PCC) on a salary of £85,000 a year. The next elections are in May 2016

Reflecting on why she was drawn to the role Mrs Bourne, who lives in Mid Sussex with husband Kevin and two grown-up sons, said: “I saw this as a unique opportunity to represent the public’s interests in the fight against crime.

“I believe everyone in Sussex has the right to feel safe on the streets and in their homes, which is why my Police & Crime Plan reflects the priorities that local people have told me matter to them; driving down crime; putting victims first increasing public confidence in the police and value for money.

“I regularly meet with members of the public and I know that visible policing is a key priority which is why I have opened recruitment – for the first time in three years – for 80 new police officers, 30 PCSOs and 120 Special Constables.

See more at <http://www.sussex-pcc.gov.uk/news/sussex-police-crime-commissioner-one-year-on/>

Any views, have you noticed a difference, I’m sure Katy would like some feedback

POLICE & CRIME

The local PCSO's and Wardens for Steyning, Ashurst, Bramber, Small Dole and Upper Beeding are:

PCSO Tom Slaughter E-mail: tom.slaughter@sussex.pnn.police.uk Mobile: 07917073587

Warden Paul Conroy E-mail: paul.conroy@pnn.police Mobile: 07734387889

Warden Michael Pearce E-mail: michael.pearce@sussex.pnn.police.uk

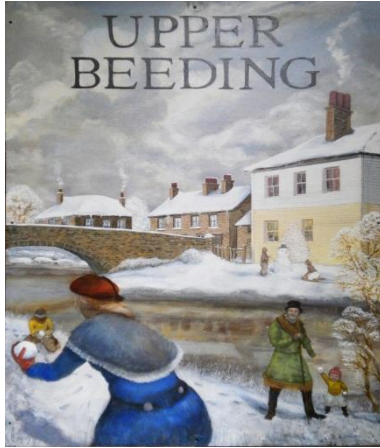

Please contact Sussex Police via the non-emergency number 101 if you wish to report an incident

You should always call 999 immediately if: A crime is being committed now, the offender is still there or nearby, people are injured, being threatened or in danger.

CENTENARY OF THE GREAT WAR 2014

2014 will be the centenary of the outbreak of the Great War. The "War to End All Wars". We wrote about this in our last Newsletter but unfortunately got little response. Since then we have spoken to Fr. John Challis and got the list of names from both the 1st. & 2nd. World Wars. Simon Birnstingl is going to try and research some of the stories of those named on the UB War Memorial from the 1st. World War. These are the names of those Brave Service People from Upper Beeding who died for our freedom : CE Shepherd, F Symes, F Tullet, A Tickner, A Virgo, WB Watson, SM Watson, F Witten, T Witten, TR Barber, H Brown, A Cook, D Copeland, WJ Cozens, E Driscoll, H Earley, AE Finch, CF Fish, H Flowers, C Groves, F Holden, F Hill, S Martin, J May, AH Newman, LG Pointing, R Ransom, RHS Sloan, R Sayer, A E Bousell, R E Dance, F E Gaston, G D S King, S J Fish, E A Owen, F W Ford, E A Searle, R A V Forster, C Tipler and F B C Woolgar.

If any of the Families or Friends of these people are still in the village and can give some more information about them, particularly those serving in WW1 please **contact the Clerk at:** upper.beeding@btconnect.com 01903810316 **or Simon Birnstingl at:** simon.birnstingl@virgin.net 01903 817 090.
