Dear Steve

**Re: Upper Beeding Parish Council**  
**Internal Audit Year Ended 31 March 2023 – Year-End Audit report**

### **Executive summary**

Following completion of our year-end internal audit on 25 April 2023 we enclose our report for your kind attention and presentation to the council. This report should be considered alongside the interim audit report issued following our interim audit on 14 October 2022. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Upper Beeding Parish Council are well established and followed.

### **Regulation**

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

### **Independence and competence**

Your audit was conducted by Andy Beams of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

### **Engagement Letter**

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

### **Planning and inherent risk assessment**

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

**Interim Audit - Points Carried Forward**

<b>Audit Point</b>	<b>Audit Findings</b>	<b>Council comments on actions taken since interim visit</b>
<b>RISK MANAGEMENT AND INSURANCE</b>	Previous internal audit reports highlighted that the Fidelity Guarantee level should be reviewed, and I note the council considered this at the September 2022 meeting and decided not to increase the cover. Based on the balances held, I recommend the council keeps this under review and considers increasing the level to cover the maximum total balance held during the financial year.	Year-end balance exceeds the Fidelity Guarantee level and with half the precept received in April, I recommend the council reconsiders whether it has a sufficient level of Fidelity Guarantee.

## B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

### **Internal audit requirement**

*This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.*

### **Audit findings**

*Check that the council's Financial Regulations are being routinely followed.*

Sample testing of invoices and payments was completed at the interim audit, and I am satisfied that the council continues to follow its adopted Financial Regulations.

*Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.*

The council has adopted the General Power of Competence (GPC) and the section 137 thresholds do not apply. The council is reminded that after each scheduled election, the council must declare its eligibility and re-adopt the GPC, recording this within the minutes of the meeting.

*Check receipt of VAT refund matches last submitted VAT return.*

The council submits its VAT return on a quarterly basis. I reviewed the submission for the period ending 31 March 2023 which showed a refund amount due of £1,051.97. The council is up to date with its VAT submissions.

*Confirm that checks of the accounts are made by a councillor.*

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

## C. RISK MANAGEMENT AND INSURANCE

### **Internal audit requirement**

*This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.*

### **Audit findings**

At the interim audit, I noted that previous internal audit reports had highlighted that the Fidelity Guarantee level (currently £150,000) should be reviewed, and that the council considered this at the September 2022 meeting and decided not to increase the cover.

**At the end of the financial year, the balance exceeds the Fidelity Guarantee level and with half the precept received in April, I recommend the council reconsiders whether it has a sufficient level of Fidelity Guarantee.**

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

*"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."*

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

## D. BUDGET, PRECEPT AND RESERVES

### **Internal audit requirement**

*The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.*

### **Audit findings**

The accounting records show that the council ended the year with income reported as 107.6% of budget and expenditure reported as 106.4% of budget. The excess income covers the excess expenditure for the year.

At the end of the financial year, the council holds circa £70,168 in earmarked reserves (EMR), spread across a range of clearly identifiable projects. I checked the purpose of these EMRs with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The council also holds £92,681 in the general reserve.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

The general reserve balance is within the recommended range.

## G. PAYROLL

### **Internal audit requirement**

*Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.*

### **Audit findings**

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

## H. ASSETS AND INVESTMENTS

### **Internal audit requirement**

*Asset and investments registers were complete and accurate and properly maintained.*

### **Audit findings**

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

The council has no borrowing nor long-term investments.

## I. BANK AND CASH

### **Internal audit requirement**

*Periodic and year-end bank account reconciliations were properly carried out.*

### **Audit findings**

I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

The council has accounts with Co-op and Unity Trust. For both banks, year-end balances exceed the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS). I note that the Clerk is in the process of opening a new CCLA account.

## J. YEAR END ACCOUNTS

### Internal audit requirement

*Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.*

### Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

### Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

#### **Audit findings**

The year-end accounts have been correctly prepared on an income and expenditure basis with the box 7 and 8 reconciliation explained using the accounting records. I tested the debtors, creditors and accruals with the Clerk and am satisfied that these are all legitimately posted to the accounts.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2021/22.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

**K. LIMITED ASSURANCE REVIEW****Internal audit requirement**

*IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick “not covered”)*

**Audit findings**

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

**L: PUBLICATION OF INFORMATION****Internal audit requirement**

*The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation*

**Audit findings**

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

**13(1)** An authority must publish (which must include publication on that authority’s website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

**13(2)** Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor’s Report and Certificate) of the AGAR are available for review on the council website for the last five years.

**M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS****Internal audit requirement**

*The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.*

**Audit findings**

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	3 May 2022	16 May 2023
Date inspection notice issued	6 June 2022	4 June 2023
Inspection period begins	7 June 2022	5 June 2023
Inspection period ends	18 July 2022	14 July 2023
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council. I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.

**Achievement of control assertions at year-end audit date**

Based on the tests conducted during the year-end audit, our conclusions on the achievement of the internal control objectives are summarised in the table below and are reflected in the completion of the Annual Internal Audit Report within the AGAR.
